Lush, soulful and unforgettable, treVeld's all original repertoire is influenced by an eclectic mix of Gypsy, Swing, Old Time, Celtic, Bluegrass, Blues, and music with Chamber and Nordic roots...

*"Be sure to check out this wonderfully diverse and very talented Twin City based ensemble for some lovely and very evocative works."*

*Kevin Barns, Host of String Theory on Jazz 88FM*

*"If music makes you feel, it heals you.*

*There's more than just notes here...*

*something holy about the melody played this way.*

*The song is an absolute gift.*

*Takes a touch of genius..."*

*Billy Sheppard, Music Journalist*
